FCC, Chairman Kevin J Martin
445 12th St SW,
Washington, DC, 20554.

2006 MAY 22 P 2: 31

Dear Chairman Kevin J. Martin,

As someone who is concerned about increased taxes and telephone fees, I have contacted your constituents to oppose a USF numbers or flat-fee plan. **I oppose** Federal Communications Commission (FCC) Chairman Kevin J. Martin's plans to change the way monies are collected for the Universal Service Fund.

You, Chairman Martin are proposing a change in the Universal Service Fund (USF) collection methodology from a "pay-for-what-you-use" system to a "monthly flat-fee." **The flat-fee system would result in forced phone bill hikes for me -- and for millions of low-volume, long-distance users in the U.S. Shifting the funding burden of the USF away from high volume users -- like big businesses -- and placing the weight on low-volume users -- students, prepaid wireless users, senior citizens and low-income residential and rural consumers-- is unfair.** Many low-income and retired people are on fixed incomes and cannot afford to pay the extra money. A lot of the people do not have the extra income or have jobs to support this. This could become a burden on many who cannot afford it but need to have the telephone service.

I urge you Chairman Martin to rethink your flat-fee plan. It is a de-facto tax increase of as much as \$707 million for 43 million of low-volume, long-distance users in the U.S.

Please pass along my concerns to the FCC on my behalf, letting them know that your constituents have been contacted to oppose a USF numbers or flat-fee plan. Thank you for

Sincerely,

Jacqueline Adamek
